FOREWORD

Charles Dickens, moved by political and social changes of the late 1700's, wrote of the paradox of the revolutionary climate, which is characteristic of our nation today. We are both hopeful and intimidated, and, although there are many things we dislike about our society, there is also much that we love and cherish.

The modern conflict is seen throughout the nation in racial tensions and in campus unrest because of our involvement in Indochina. The idealism of youth daily clashes with the materialistic establishment. Young people are searching for a way out of this turmoil and meaninglessness. We are searching, probing, asking, seeking answers to vital questions. Some have attempted to find meaning in life by turning their backs on society, experimenting with new ways of relating to each other. Others have looked toward society itself for the answers, reaching out to people and touching them with love. Some have tried communal living, have freaked out on drugs, have depended on the occult world, while others have lifted their faces to God. All are striving to discover what life has for us. We, through our high school experience, have indeed changed and grown through our search. We are not what we were; neither are we what we expect to be.

These following pages attempt to reflect contrasts of human experience as found at GAHS.

organism

Because he has guided us and because he has given generously of his time and energy as devoted biology teacher and athletic director, we the staff of the Conococheague proudly dedicate the 1971 Conococheague to Mr. Nelson Carmack.

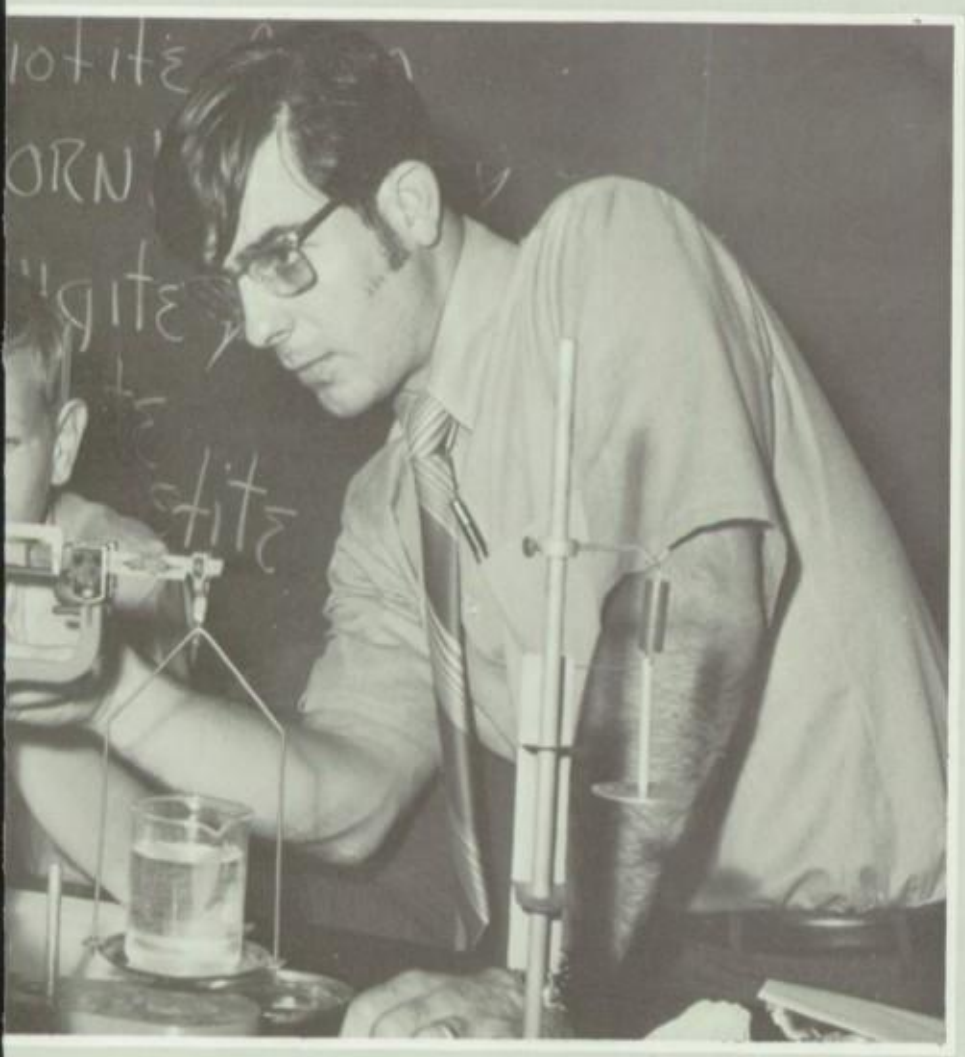
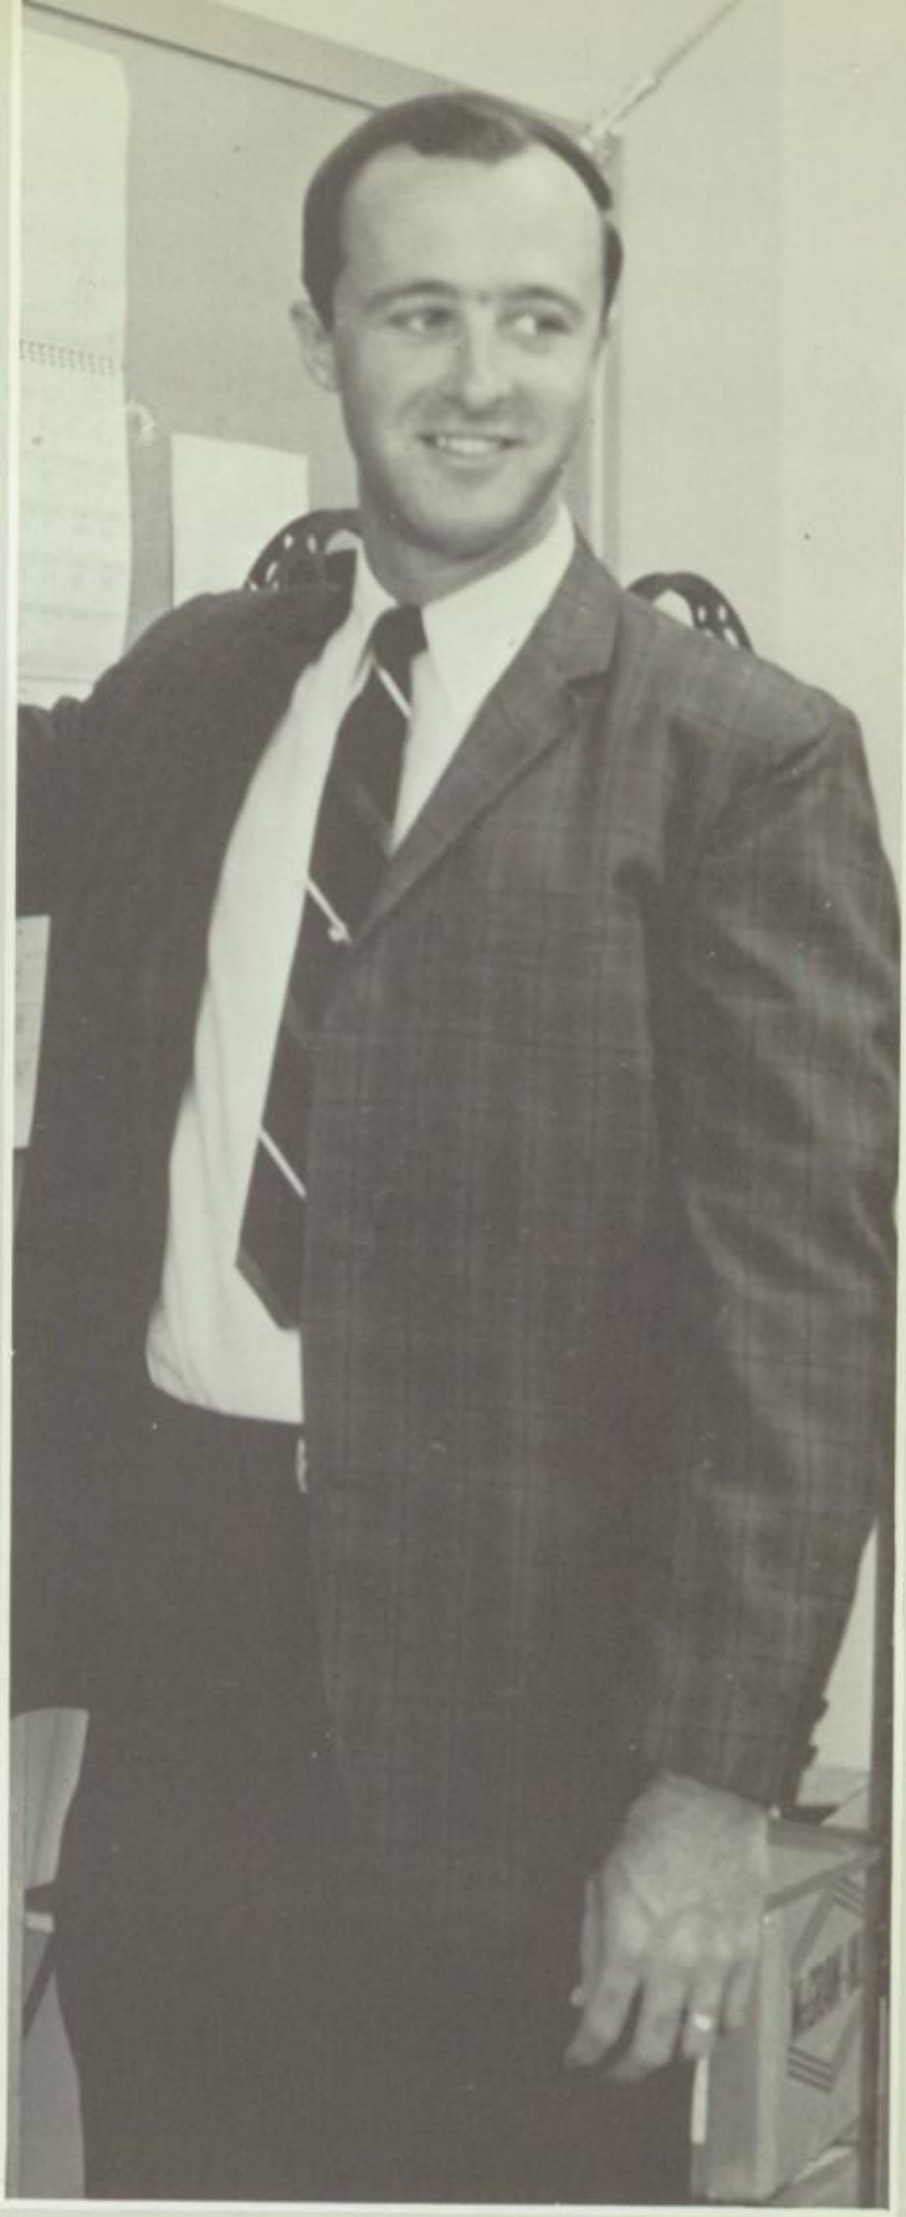
CURRICULUM





Administration Works To Improve Our School

Mr. Conrad has served the Greencastle-Antrim School District for the past 38 years — 22 as a teacher and 16 years as the Chief School Administrator. Mr. Conrad and our high school principal, Mr. Martz, are currently working to revise the Business Education and Social Studies Departments and to develop an outdoor education program through the use of the Wenger Farm facilities. Both men have different responsibilities and display serious, conscientious attitudes toward our school. Most of their time is devoted to planning the student curricula, assisting with the many extra-curricular activities at GAHS and aiding and directing the faculty.

Mrs. Ruby Gossar and Mrs. Jeanette Nelson, the high school secretaries, offer much assistance to our school. Their many duties include recording daily attendance, filling out work permits, making transcripts for seniors and issuing passes.

MR. JAMES MARTZ

MR. WILLIAM CONRAD
Supervising Principal

Our Principal, Mr. Martz, always with a smile.

Three Languages Are Offered To Students

Sharon Saunders learns how to write numbers in French.

Our Language Department teaches three languages: Latin, Spanish, and French. In the second year of Latin, each student is required to construct a mythology notebook. Spanish III classes enjoy reading novels written in Spanish, as well as learning the usual grammar and informal conversation. The highlight of the year for seniors in French is the annual French Banquet served by juniors.

Flash cards help students learn their Spanish.

Mrs. Barbara Nagle

Mr. Lee Dreyer
English

Mrs. Kemmler's freshman classes enjoy reading **Huckleberry Finn** in addition to studying grammar, vocabulary, paragraph writing, and drama. Miss Kelly's sophomores concentrate on novels. The juniors under Mr. Sanders focus on American Literature. Mrs. Myers' senior classes survey English literature with emphasis on the Greats — Chaucer, Shakespeare, and Milton. Seniors enjoyed reading contemporary novels this year — **The Pigman** and **A Separate Peace.**

Mrs. Lois Myers

Students Learn To Be Proud Of Their Heritage

Under the guidance of Mr. Frey, freshmen learn about the history of Pennsylvania. Mr. Dickey teaches his students to develop and support their personal opinions. The sophomore course is a combination of history and world cultures. Mr. Smelser stresses that each culture is different but not necessarily superior or inferior to another culture. Juniors, taught by Mrs. Pile, are studying American History from 1865 to the present. They also learn to be good citizens and to be proud of their heritage. Mr. Rishel and Mr. Snare teach Problems of Democracy. In this course, seniors gain a better understanding of economics and social problems.

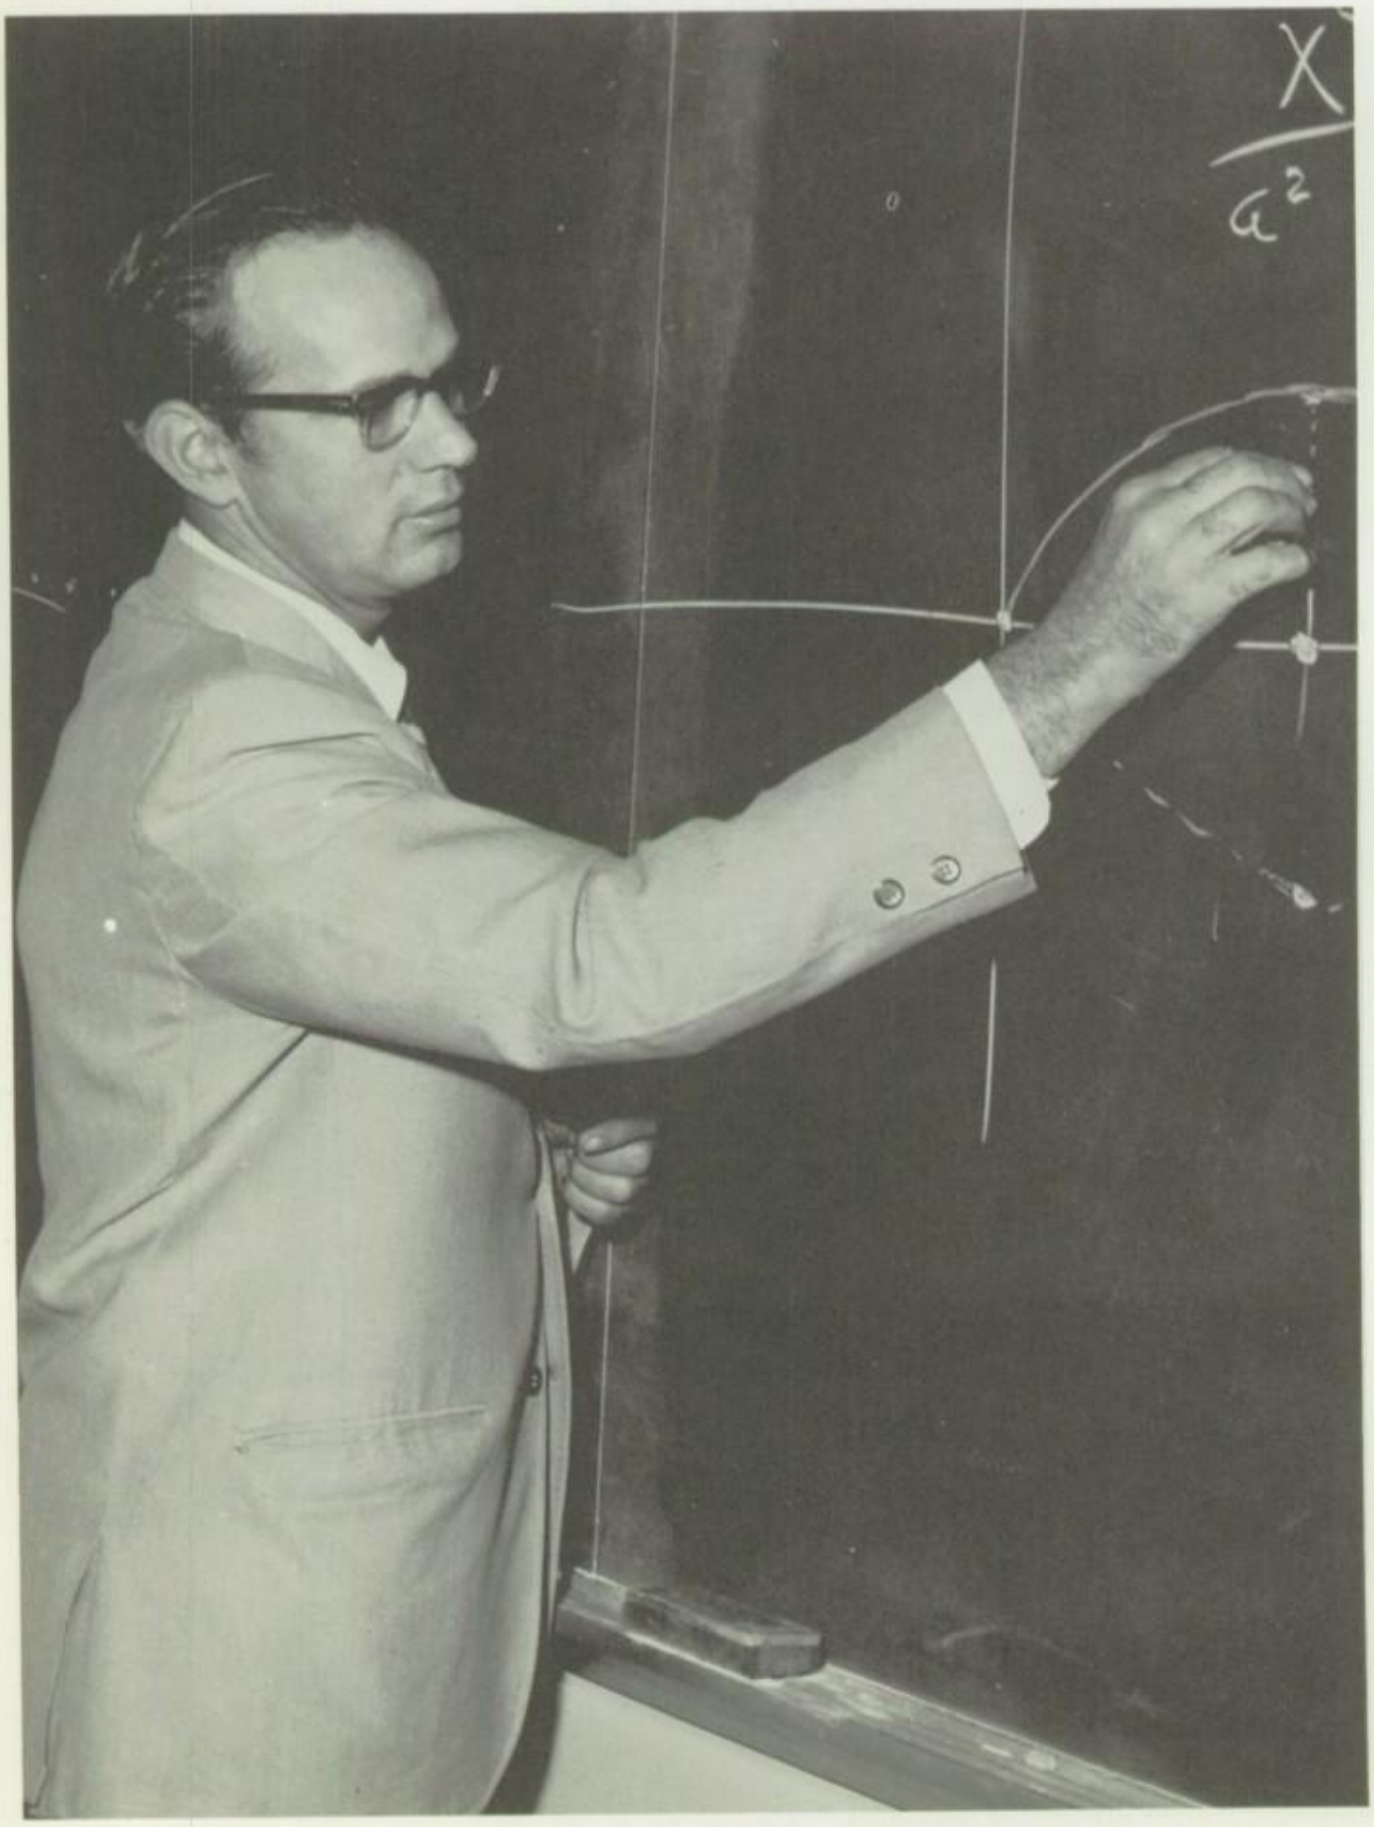
Mr. Rishel finds the New York Times amusing.

Mrs. Pile tells her students about the history of America.

New Methods Of Math Are Taught

This year, the mathematics department is really on the ball. In commercial math, Mr. McCrae is having the juniors make bulletin boards and projects dealing with personal finances. Mr. Brake has seven juniors taking trig this year, in hopes of having an introductory course in calculus next year for these students. In Algebra I, Mr. Reeder has been teaching set theory and logic, with a follow-up of directed equations.



Mr. Brake works out a difficult Trig problem.

Science Encourages Students to Question The Unknown

MR. NELSON CARMACK
Biology

MR. ROBERT TREON
Biology

The science department offers a wide variety of courses. Freshmen study Earth Science, which includes meteorology, astronomy and geology. The sophomore biology students learn of plant and animal life, and even dissect a fetal pig. The juniors are offered chemistry, in which they learn of the composition of different elements. The physics students study matter and energy in its various forms. Mr. Monn plans to take his students to the United States Bureau of Standards. Nuclear Physics is also offered as an elective to seniors.

Lois Anderson records observations on living cells.

Mr. Treon helps Jay Schilt adjust his microscope.

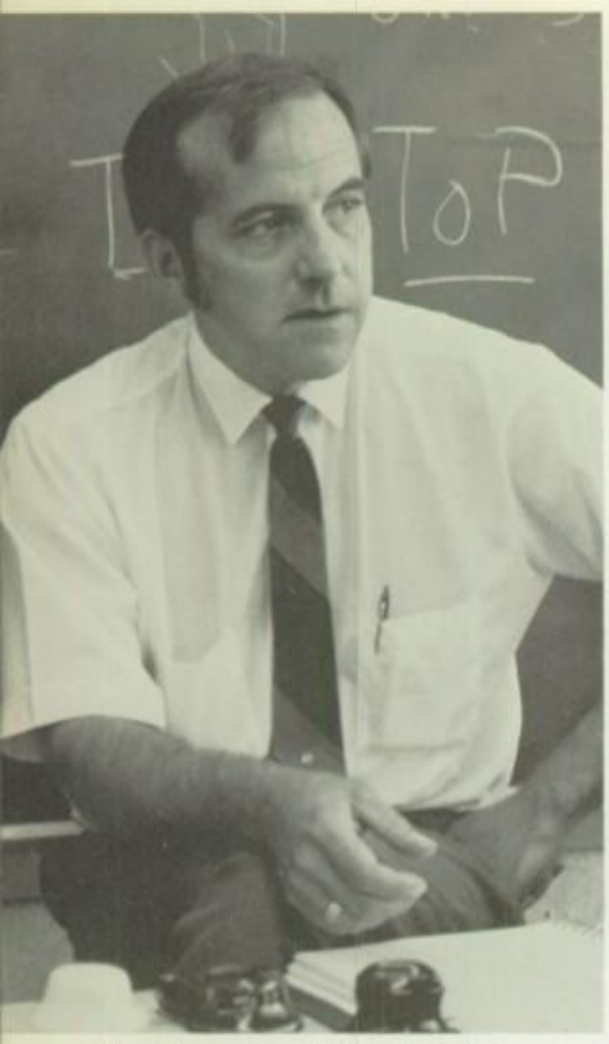
Skills Are Developed In Shop

We can thank our Graphic Arts classes for printing our school newspapers, hall passes, and school forms. The 7th graders are introduced to Wood Shop, where they create plastic windshield scrapers, napkin holders, candle stick holders, and salt and pepper shakers. In the 11th grade, the juniors make jewelry chests, cedar chests, gun cases and racks, coffee tables or lamps. The architectural drawing phase of Mechanical Drawing I and II is popular with drafting students. Boys and girls in this elective course learn the basic skills and language of drafting. Each student designs his own "Dream Home." The "Ag" boys raised young animals as their project this year.



Mr. Kemmler tells his class what projects they will be doing.

Girls Learn To Be Good Homemakers

Home Economics will always play an important part in the future of a young girl. She learns how to sew pantsuits and cook the kind of meals that melt in your mouth and knit sweaters that honestly look like sweaters. The freshmen bake pies, cakes, and casseroles, and sew clothes. The sophomores prepare specialty dishes and homemade bread, and become home decorators. The juniors cook foods of special areas — Pennsylvania Dutch, New England and Southern dishes. The seniors work on consumer services and foreign foods.

Miss Malkin shows Diane Myers how to knit.

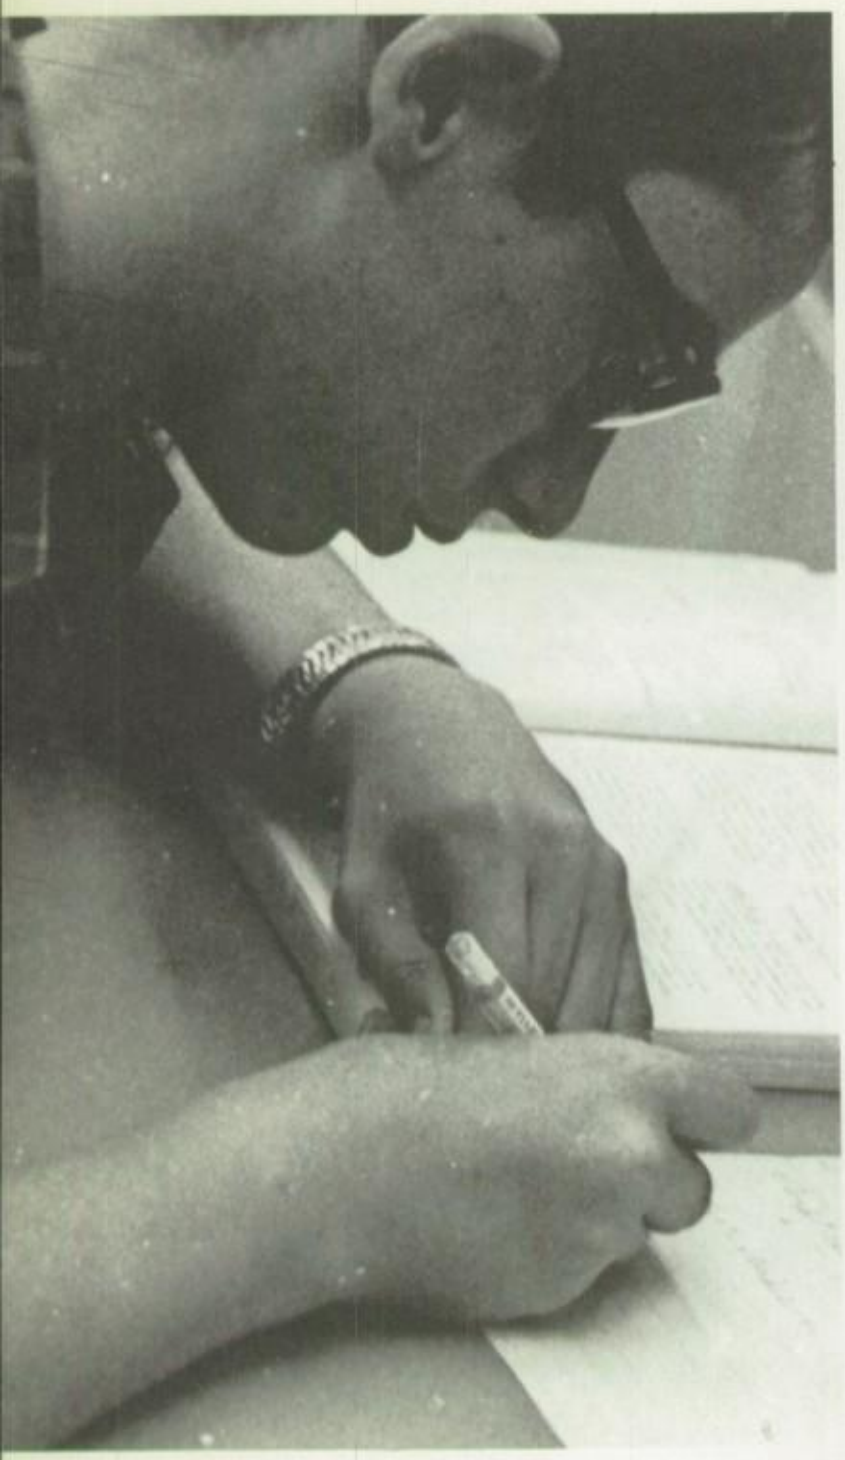
New School Teaches New Skills



Dave Carson does his homework.

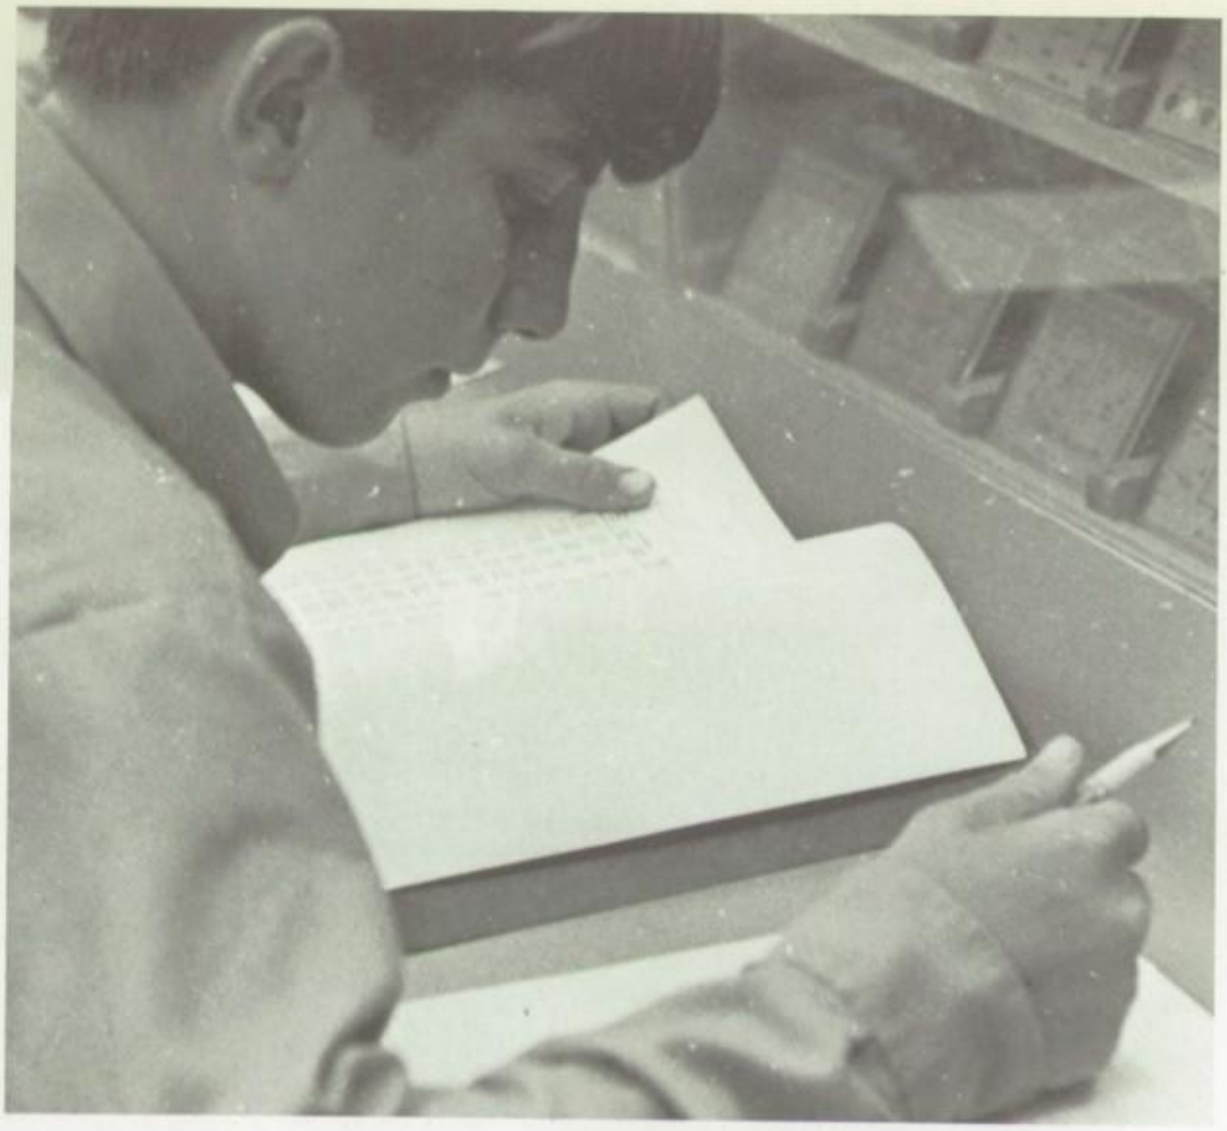
G.A.H.S. students took full advantage this year of courses in vocational and technical training offered by the Franklin County Vocational-Technical School.

A total of 75 students enrolled in the 20 courses available. Some of the courses offered are automobile mechanics, automobile technology, data processing, carpentry, cosmetology, electronics technology, machine shop, quantity foods technology, health assistant, welding, and farm machinery sales and service.

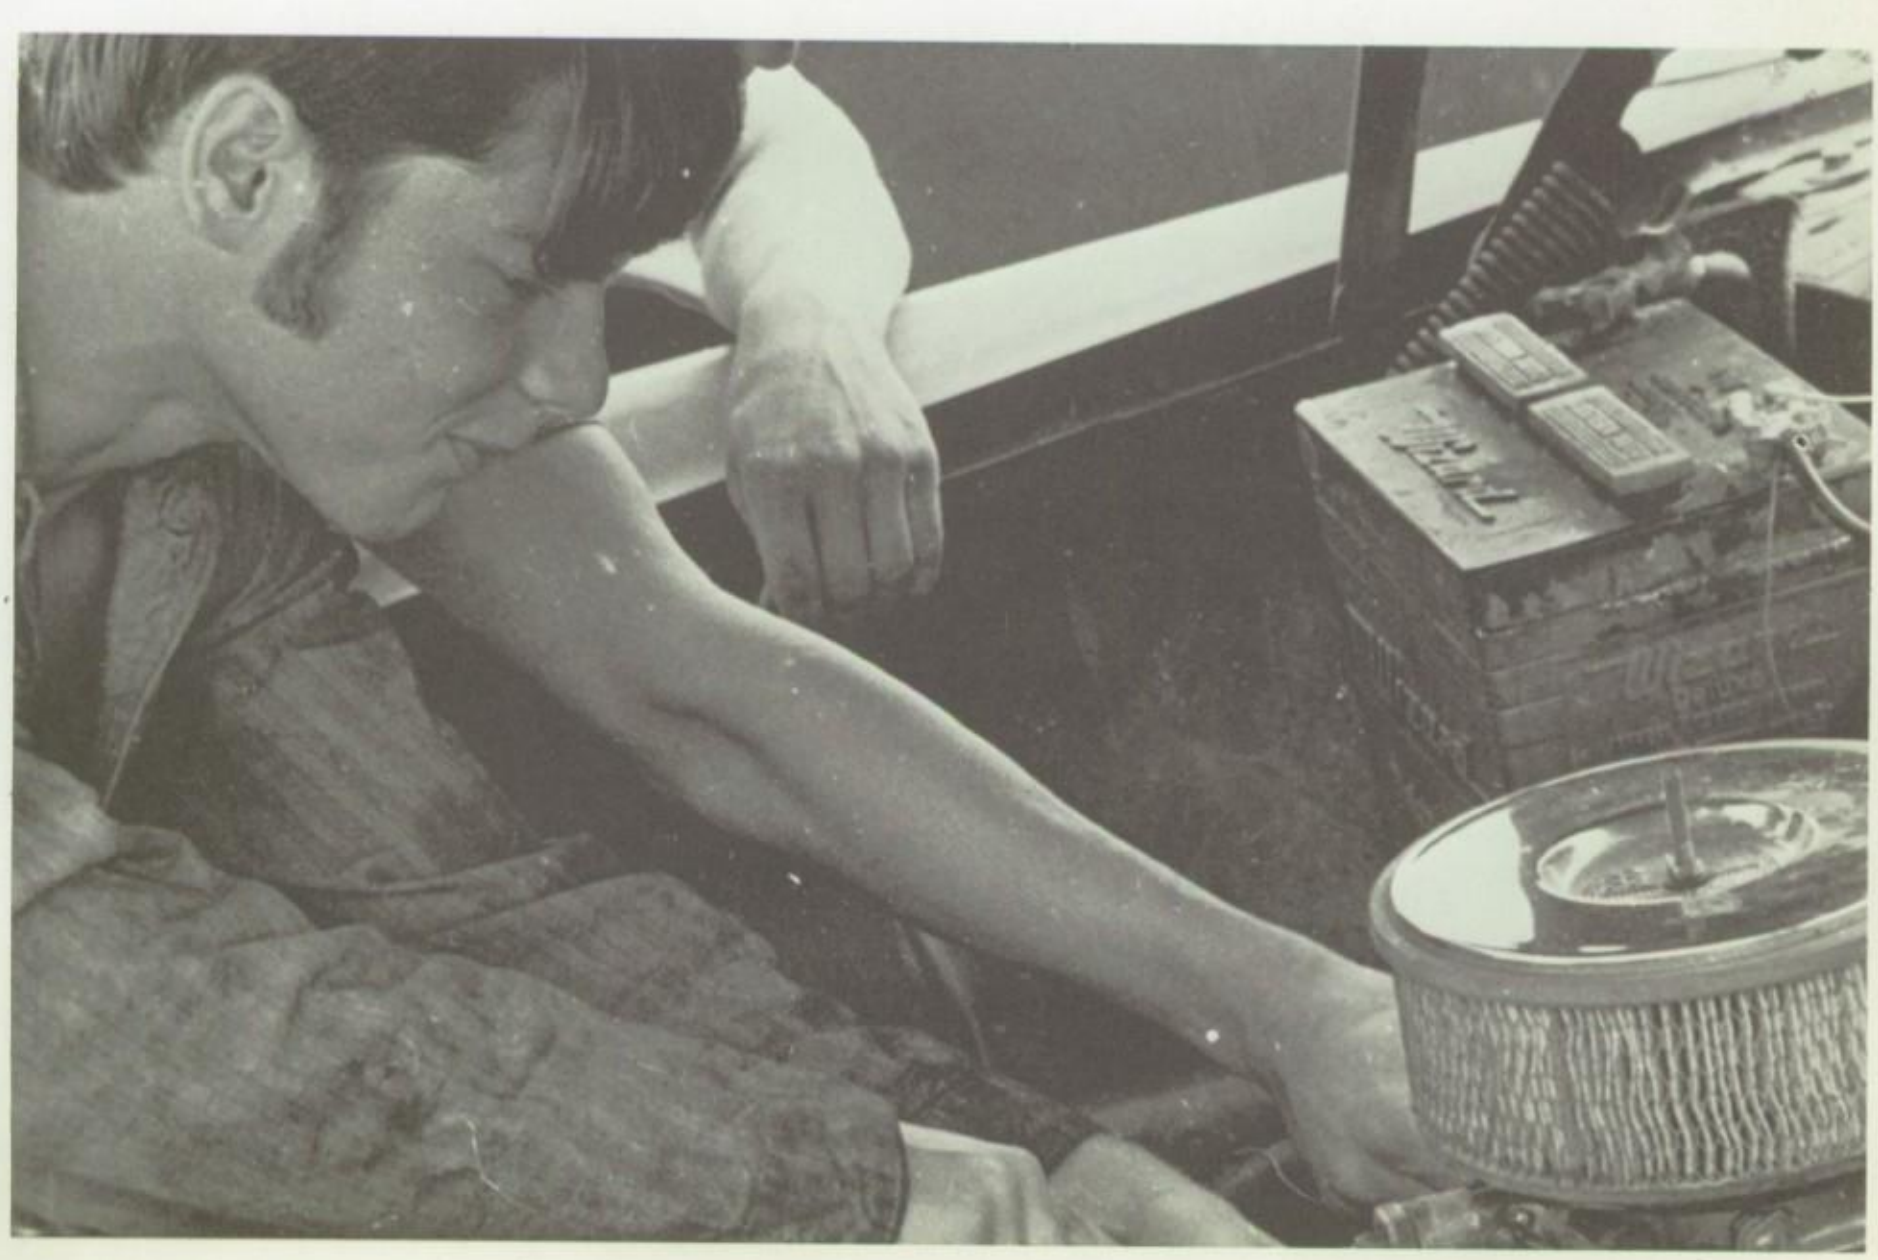
During the alternative three-week periods spent at our high school, students received instruction in English, history, and science to meet requirements for graduation.

In order for our ninth graders to become acquainted with the program, a tour of the Vo-Tech school is planned each year in early spring by Miss Margaretta Williams of the guidance staff.

Mike Shultz prepares to cut out his assignment in Sheet Metal.



Bill Cosey checks to see if his figures are accurate.



Steve Jackson adjusts the carburetor in his car.

Guidance Department Helps Students Make Decisions

The main purpose of the Guidance Office is to assist individual students in making decisions — educational, vocational, and personal.

Throughout the year, Miss Martin and Miss Williams meet with classes to give students bulletins containing information relevant to them and their particular grade. They also arrange meetings for students with representatives from various schools and businesses. The testing program is administered under the direction of the Guidance Department, where occupational and educational information is kept on file for student use.

The Guidance Department conducts a follow-up survey of all recent G.A.H.S. graduates. Outside Miss Martin's office is the bulletin board showing the previous year's graduates. Attached to each picture is a piece of paper on which is typed the name of the graduate, the name and location of the school he or she is attending, and the major field. In the case of graduates who are working, the name of the employer or firm is given and the occupation of the graduate. All services of the Guidance Department are available to alumni of our school.

This year the Department is taking part in a state project to develop skills in the area of group counseling.

Many Forms Of Beauty Are Created In Art

Mr. Gamble weaves a basket.

Greencastle-Antrim welcomes Mr. John Gamble's return to the position of teacher of art. This year his classes studied and related ecology to the different designs found in our environment. Each class was divided into groups, each of which worked on a joint subject of interest. During the month of March the Besore Library housed a student art exhibit.

Although Mr. Gamble has only junior high classes, many senior high students are under his direction with many projects during activity period.

Music Is Enjoyed By Students

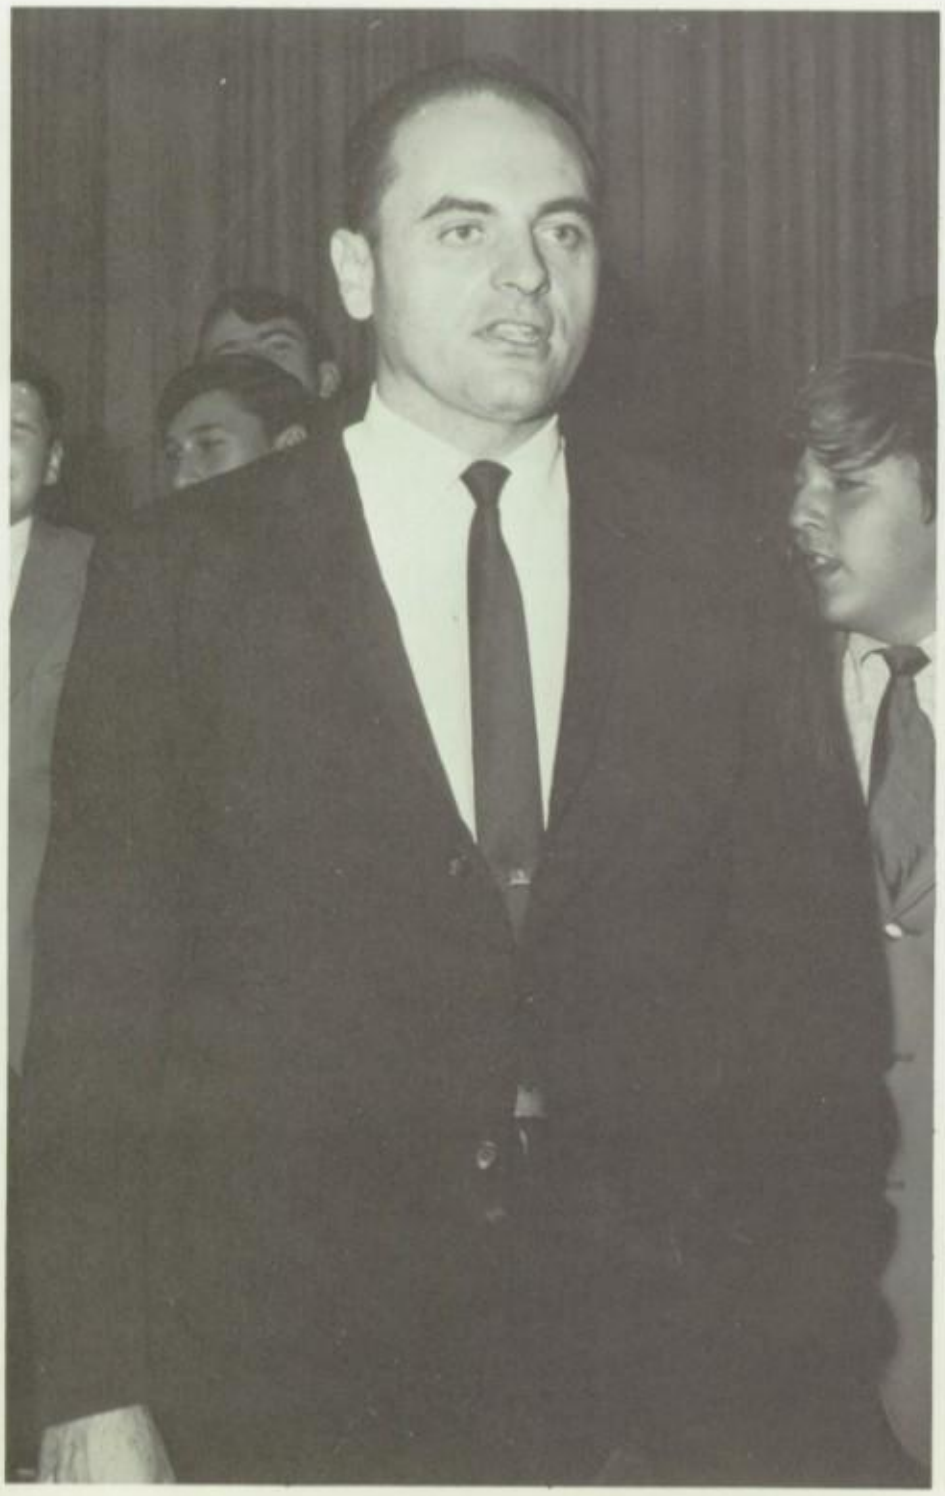
MR. RICHARD BESECKER
Vocal Music, Concert Choir

MR. DAVID McCANDLESS
Instrumental Music, Band

Under the direction of Mr. Besecker and Mr. McCandless, the Music Department again provided pupils with the opportunity to study the fine arts.

In this year's beautiful Christmas concert Mr. Besecker featured Britten's "A Ceremony of Carols." He teaches a general music course to all freshmen, and seniors may enroll in theory, sightsinging, and music appreciation.

Under Mr. McCandless, the band performed with exceeding gusto on the gridiron during halftime at football games or on the boulevards in parades. The band met for two extra weekly periods during fifth period on Monday and Wednesday this year.



Mr. Besecker leads the choir.

Mr. McCandless plays the French Horn.

Our Library — The Center Of Knowledge

Miss Rowland is checking cards at the circulation desk.

Miss Rowland and Mr. Byers are continuously on the lookout for new books, as well as pamphlets, newspaper clippings, and magazines that will help students and teachers in their intellectual pursuit. These materials are arranged so that people who use the library can find them more easily. The librarians also help students learn how to use the materials in the library.

ORGANIZATIONS

Band

Under the direction of Mr. McCandless, the marching band strove to do its best during the past season.

This fall, the band, participating in three area Halloween Parades, proved to others that our band had the capability of any other band there.

On November 14, the Blue Devil band along with sixty other bands went to Penn State and participated in Band Day. There they learned two half-time shows, which were performed at six of the ten football games.

The band also performed in Chambersburg's "Cavalcade of Bands" and received a trophy for fifth place.

Climaxing the year, the band traveled to Harrisburg for the annual Harrisburg Downtown Businessmen's Parade. Both the Band and Band Front received excellent ratings. On the same night, in Chambersburg's Christmas Parade, they captured second prize.

Choir

The choir has had a busy schedule this past year. On November 14, fourteen Concert Choir members went to Cedar Cliff, Pennsylvania, to try out for District Chorus. Eight G.A.H.S. students were accepted into the chorus. These eight students also had the opportunity to try out for Regional Chorus.

The entire choir was invited to perform for the P.M.E.A. Convention in Harrisburg on December 3, the first major concert of the year. The Choralaires were invited to perform in a choral competition in Boyertown, Pennsylvania, on February 12, which was adjudicated by a panel of experts.

Other activities for the year included the holding of County Chorus here at G.A.H.S., with many members from our choir representing our school. The traditional Christmas, Spring, and Pops Concerts, which included the Esquires, Men's Chorus, Choralaires and the Young Set, were presented.

Yearbook

Joanne Snyder and Mildred Hess, editors, receive instruction from Mrs. Myers, advisor.

September brought many new realizations. One of these was that a new year had begun and needed to be captured. The 1971 CONOCOCHEAGUE staff began to take its share of the responsibility of capturing and recording the events of the 1970-1971 school year.

Every staff member had his own duty to carry out. Through the cooperation of everyone, the 1971 CONOCOCHEAGUE began to take shape.

Business staff members were busy, too, making certain that financial backing would be provided for smooth production.

Typists did their part to transcribe the copy to its final form.

The ultimate goal: To capture and preserve the memorable events of the 1970-1971 school year.

National Honor Society

SCHOLARSHIP — LEADERSHIP — CHARACTER — SERVICE

The objectives of the National Honor Society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character.

The election of members is made by a chapter council, consisting of the principal and six members of the faculty chosen by the principal. Any junior or senior who has a scholastic average of eighty-five percent in his major subjects in each high school year is automatically nominated for membership. Each council member then rates each student on the three remaining requirements of leadership, character, and service.

The members of the NHS try to fulfill the responsibility and obligation that this honor upholds.

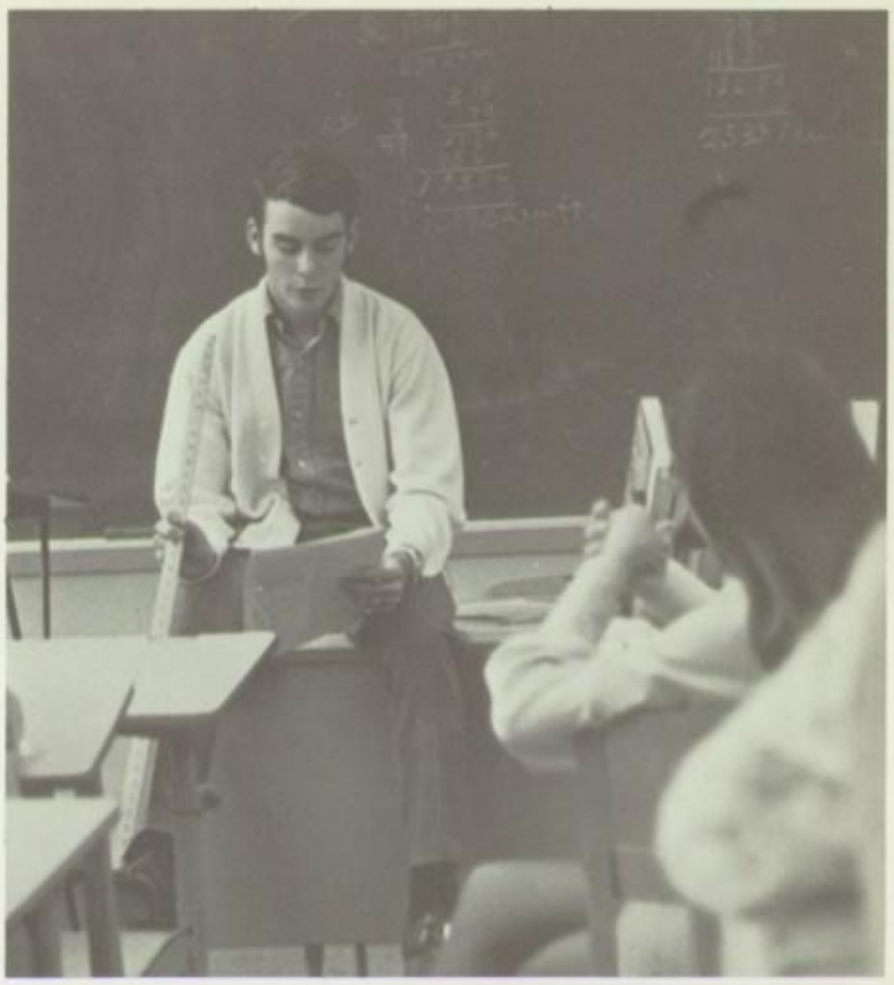
Student Council

The Student Council, consisting of approximately seventy students, has again aided the students in many ways throughout the school year. It has provided us with various forms of entertainment that we all enjoyed, including our second Homecoming and all its festivities, such as the Powder-Puff football game, the crowning of the queen, and the Homecoming dance. A new Homecoming festivity was a small parade through town before the football game of Saturday afternoon. Besides our monthly dances, we had Slave Day, Exchange Day, and a Talent Show.

Various new ideas were started by the Council this year, one of these being Student Teacher Day; a person from each class was chosen to teach a class for one day. This year we were fortunate enough to obtain a foreign exchange student from South Africa named Adele Specktor, and for the first time in G.A.H.S. history, girls were given permission to wear slacks.

Along with the new projects, the Council continued its task of operating a "Lost and Found," organizing an Honor Roll, and maintaining a Christmas mail-box during the Christmas season. This year's Student Council and Mr. Smelser should be given much credit for a job well done.



Student Teacher Day provides Jeff Dunkle with an opportunity to test his skill.

FFA

The Future Farmers of America is a voluntary membership organization under the supervision of Mr. Reichard. Its members are composed of thirty-one boys who are students of vocational agriculture.

The members of FFA attended many conventions during this school year. In September, they went to the South Mountain Fair. Each boy entered a contest and tried to score points for the school. In December, FFA had its leadership training and initiation program, which schooled each boy for his individual office. On January 13, the members of our local chapter traveled to the State Farm Show held in Harrisburg. While in Harrisburg, they attended the 42nd annual FFA convention. During the week of February 22 to 26, National FFA week was observed.

FHA

Under the leadership of Miss Malkin and Mrs. Thomas, the Future Homemakers of America have participated in various activities throughout the school year.

For their Christmas project this year, the members visited the Newton Bakers Veterans Hospital and entertained the patients by singing Christmas carols through the wards. On January 13, the FHA attended the annual State Farm Show in Harrisburg. On March 5, the FHA sponsored a dance for the students of Greencastle-Antrim High School. At Easter, the members treated the children of Quincy Orphanage to an Easter Egg Hunt.

Spanish And French Clubs

Miss Eckstine and Mrs. Nagle have organized the Spanish and French Clubs in hopes of imparting to the students a better understanding of the people who speak these languages.

The two clubs combined their forces to make this year a great success. They were very busy selling candy, baked goods, and candles so that they could take a trip to our nation's capital, Washington, D. C. They also held a dance in January to help finance the trip.

The groups have had guest speakers present slide lectures on Spain and France. The speakers also gave pointers in speaking the language more fluently so that it could be easily understood.

For entertainment, the clubs put on skits to help visualize what life is really like in those countries.

Science Club

Under the guidance of Mr. Monn, the Science Club learns about today's atomic age and its uses to us. In February, the Science Club went to the United Telephone Company, followed by a series of films and discussions. Later, they took a trip to Goddard Space Center, where they were aided in understanding space travel to a greater extent.

At other meetings they saw films dealing with the problems of science facing man today. Many guest speakers talked to them from nearby colleges and companies, enabling students to see what advancements have been made in the world of science.

Mr. Monn demonstrates the photo-electric cell to a few members of the Science Club.

Varsity Club

The Varsity Club is an organization open to any athlete who has earned a letter and to any senior who has participated in a sport for three years.

One of its projects was the showing of horror films during the Halloween season. There were two films shown a night for three nights. The profit from the project was used for the purchase of varsity jackets.

Bank Day Cashiers

On Tuesday of every week, students of Greencastle-Antrim High School were able to deposit money for personal savings accounts. This money was then given to the Bank Day Cashiers, who were in charge of the project.

Students were thus able to start their own personal savings accounts in the Citizen's National Bank.

Bank Day gives students a good start for the future.

Library Aides

Among those to help others were the Library Aides. They volunteered their time to become acquainted with the library so that others could find reference material or books for enjoyment.

With the help of Miss Rowland, Mr. Byers, and the Library Aides, the students of Greencastle-Antrim High School have been aided to prepare for school work more efficiently.

Devils Excel In Team Work

Although our team did not reach its expected number of victories, our school spirit was still flourishing. This spirit was a tribute to the players' hard practicing before each game and their determination on the field to win.

The highlight of the football season was the Homecoming Game with the Catoctin Cougars. The Blue Devils had a 54-14 victory.

Even with the loss of seven seniors for next year's team, the underclassmen coming on strong promise an even better record next year.

The Junior High Varsity had a 7-1 season. This shows great potential for coming football seasons.

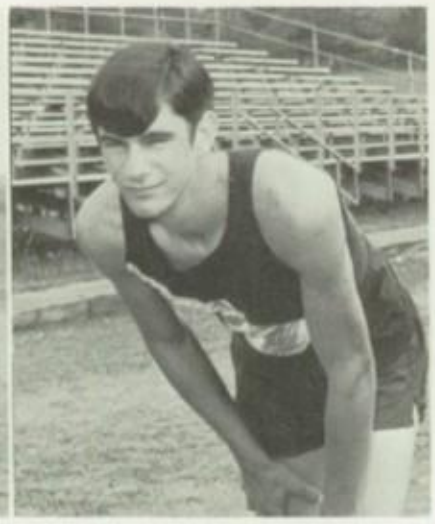
Team Places Second In Blue Ridge Conference

Mike Barkdoll



Duane Barnhart

The Greencastle-Antrim Cross Country Team completed the year with a record of 7 wins-5 losses for the Varsity and 4 wins-4 losses for the Junior Varsity. The losses for the Varsity have been to four class "A" schools and one class "B" school.

The Varsity took second place at the Blue Ridge Athletic Conference Meet. Medals were won by Duane Barnhart (2nd place) and Bob Elliott (5th place).

Injuries hampered the team at various times. Duane Barnhart, the top runner, missed several key meets. Jeff Dunkle was also handicapped for the last three weeks of the season.

The loss of four seniors, Duane Barnhart, Jeff Dunkle, Bob Elliott, and Larry Harshman, will be deeply felt next year.

Bright spots for the future were the performances of Sophomores Dave Black and Greg Hoover and Freshman Ed Jones.

Devilettes — Co-Champions Of South Penn League!

Under the supervision of Miss Avis Gunnells and Miss Ena Smith, this year's girl's hockey team had a very successful season with a record of 4 wins-3ties-2 losses. This record merited them the title of 1970-71 Co-Champions of the South Penn Hockey League. This accomplishment is a very high honor since the league has only been in existence for two years.

This year's winning season can be attributed to the teamwork of the girls and their desire to be victorious. Many times the scores were almost tied, but the team pulled through! High scoring honors went to senior center-forward Dotti Zimmerman, who scored 11 goals, while left-inner Jean Colbert was accredited with the other four. Another senior, Janice Angle, assisted in many of the goal-scoring plays. Much credit should also be given to the fine defensive work by Becky Stoner, LuAnn Martin, and Lois Statler. The Devilettes had a fine offensive line, as well as a fine defensive field, which is evident by the 15 G.A.H.S. goals scored to their opponents' 9.

This year's J.V. Team had a record of 0 wins-5 ties-4 losses. Exhibiting good sportsmanship, they gained much experience which will be useful in the future.

The Varsity squad will be losing seven seniors through graduation. With practice and hardwork, the remaining team members will honor G.A.H.S. with their victories.

Devils Push Ahead

It has been another hard-working year for the Greencastle-Antrim Devils on the soccer field. They fought hard and worked as a team.

The Rockets managed to beat the Devils 2-1, for the championship. It surely was a muddy and rainy mess the day of the play-off. We were proud of them for playing so well under such adverse conditions.

Tony Sterner, Vic Barkdoll, and Bob Hudson were the main scorers this year for the Devils. Out of the 15 games the Devils played, they won 7, lost 5, and tied 3.

Nice kick, Dave!

Devils Make Quick Passes And Long Shots

Led by our "Rotary-Player of the Year," Randy Ehrhart, the Blue Devil Basketball team posted a record of fifteen wins and seven losses. For the second year in a row, Vic Barkdoll and Gary Stockslager were responsible for the quick passes and spectacular long shots that became the hallmark of Blue Devil play.

Coach Etters' team was able to break the century mark once this year as they defeated Susquehannock 101 to 67 on the home boards. Randy Ehrhart, Vic Barkdoll, Cy Anderson, Jeff Shives, Doug Shank and Dave Wilson finalized their high school career with the win over McConnellsburg.

The team is anticipating a great season next year with the return of four of the starting six players. Back again will be Gary Stockslager, Carl Colbert, Scott Holland, and our "human jumping jack," Bill Fitz. Denny Flythe and a host of players up from the JV team will fortify the Blue Devils for the coming cage wars.

With these players and equal enthusiasm from the student body, the Blue Devils are bound for success.

Varsity Cheerleaders Back Devil Teams All The Way

G.A.H.S. cheerleaders have been very busy this year, cheering for both soccer and football in the fall and for basketball during the winter months. With spirited encouragement and cheers from the sidelines, they led the teams to victory and boosted their morale when in defeat. In addition to cheering at games, they held several pep rallies and fund-raising projects, and sponsored student buses to many games.

Devilettes Exhibit Sportsmanship

The Devilettes, coached by Miss Avis Gunnells, ended their 1970-71 season with second place in the South Penn League. With a record of 3 wins and 4 losses, they kept the Blue Devil spirit and confidence with them throughout victory and defeat.

Coach Gunnells said she is losing one of the best teams she has had since she began coaching at G.A.H.S. The Varsity squad, consisting of 6 seniors, 4 juniors, and 2 sophomores, ended with a total of 300 points for the season. The leading players on the squad were Dotti Zimmerman, Janice Angle, Jean Colbert, Becky Stoner, LuAnn Martin, and Heather Potts. The leading rebounder was LuAnn Martin, assisted by Dotti and Heather. The point getters for the team were Dotti with 132 points, Jean with 91 points, Janice with 57 points, LuAnn with 33 points and Becky with 28 points.

The Junior Varsity closed the season with 2 wins and 5 losses. Their total points for the season were 123. Those players hitting double figures were Beth Sigler with 30 points, Celina Hess with 17 points, Holly Potts with 13 points and Cay Henson with 11 points.

The Devilettes are losing wonderful teammates and valuable players with the class of 71, but they will never give up — they will continue to strive to do their best!

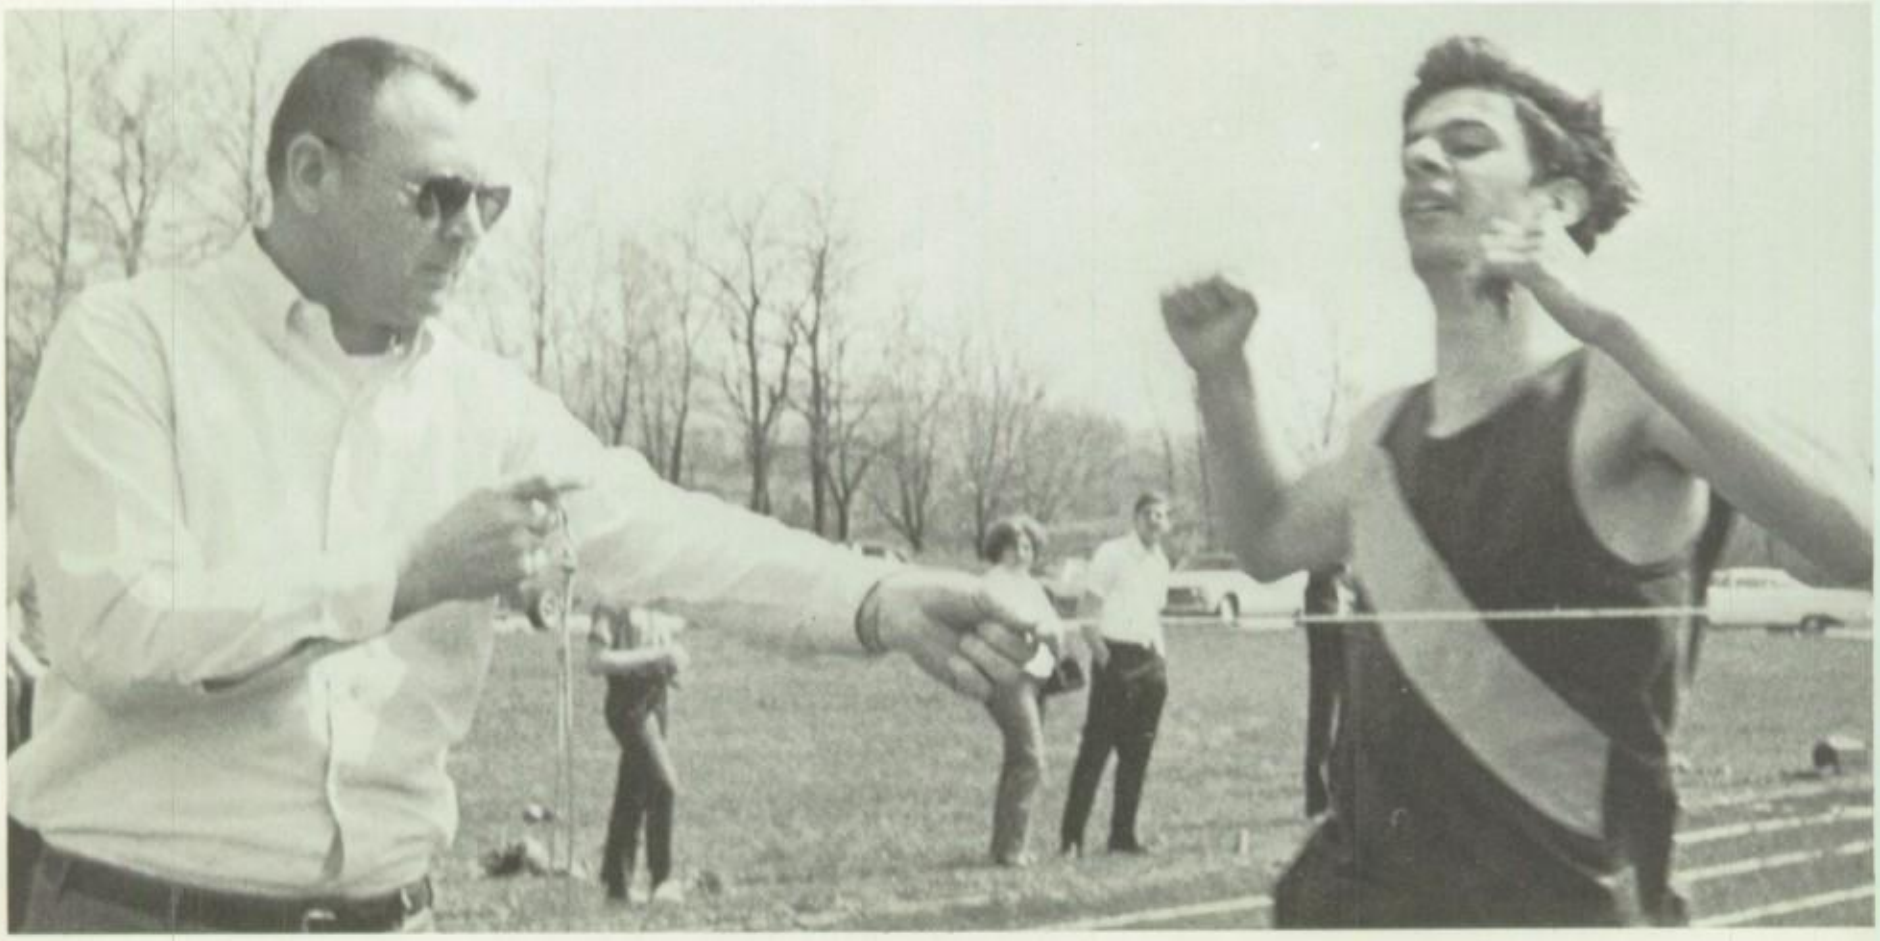
Track Team Excels In Teamwork

The Track season of 1970 has been a successful one for G.A.H.S. because of concentrated team effort. The Blue Devils won five dual meets and lost two. In the triangular meets they placed second and won one.

There have been two school records broken and one tied in the various track and field events during the season. Charles Fitz broke the 440 yard dash in 52.7 seconds. The shotput was broken by Charles Rutter with a 46'6" throw. Bill Fitz tied in the high jump with a jump of 5'10".

The Blue Devils were the first champions of the 1st Blue Ridge Conference of Track and Field, placing first in eight out of a possible eighteen events.

Throw it high, Charlie.



Duane does it again!

Baseball Team Has Good Season

The Blue Devil Baseball Team had a winning season with 9 wins — 7 losses. Under the supervision of Coach Carlton Lutz, the boys played 16 outstanding games.

The team had three outstanding pitchers, Randy Ehrhart having 4 in 1, Vic Barkdoll having 2 in 2, and Dave Christophel having 2 in 3. The team also had three leading hitters, Fred Christophel playing 16 games with 353, Vic Barkdoll playing 10 games with 353, and Ben Risser playing 16 games with 340. Coach Lutz said that the senior team members along with Randy played a great season.

After the 1970 graduation, the team lost six players: Jeff Shaffer, Rod Mowen, Fred Christophel, Delmar Martin, Kenny Mayhugh, Lenny Grosh, and Ben Risser. The team will lose Vic Barkdoll, Tom Houpt, Randy Hoover, Randy Ehrhart, Tom Christophel, Russel Shoemaker, and Dave Risser with the graduating class of '71.

Since we won the Franklin County Championship in 1966 and the South Penn Championship in 1969, the Devils can hold the championship again. Go get'em, Devils, in the 1971 season!

Vic winds up with a 3-2 count.

Jeff hits another one!

Kirk gets another one out!

VARSITY BASEBALL TEAM — SECOND ROW: Coach Thomas, T. Houpt, R. Hoover, J. Shaffer, K. Rowe, R. Mowen, R. Ehrhart, F. Christophel, D. Martin, P. Oberholzer, Coach Lutz. FIRST ROW: V. Barkdoll, G. Stockslager, D. Christophel, K. Mayhugh, L. Grosh, B. Risser.

JUNIOR VARSITY BASEBALL TEAM — SECOND ROW: S. Oliver, D. Bonebrake, T. Christophel, D. Risser, G. Zeger, T. Stine, Coach Thomas. FIRST ROW: R. Bricker, T. Statler, J. Wertner, W. Henry, G. Miller, T. Bowman, R. Shoemaker.

Juniors Bid Seniors "Sayonara"

Everything is quiet and serene, before the guests arrive.

Lisa and Ronnie appear to be the first guests.

The Very Last Dance

The Junior Class of "1971" gave the seniors their prom, "Sayonara," on May 9, 1970. Much assiduous work was put into the oriental theme from November to May 9th to produce a romantic atmosphere. Everything was perfect — even the weather! Were you one of the lucky couples that entered this romantic atmosphere by the gaily colored rickshaw? A group of oriental dancers added to the entertainment of the evening. Many students realized that some of the teachers were just as much swingers as were students while dancing to the "Cold Blood."

Though many juniors will strive for the best prom, it seems Sayonara has the laurels for many years to come. It was worth all the work, especially when the seniors actually said they liked it.

Couples dance to the music of "Cold Blood."

Who is Lisa watching?

Parade Starts Homecoming Events

Karen seems to be enjoying herself!

Terry, over here!

Sandy, are you with us?

It's Finally Happening

Now the band is getting it together.

Waiting for his kind of play!

Terry still looks as though she cannot believe it!

Well, there she is, folks!

And So Ends Another Homecoming

The second annual Homecoming of G.A.H.S., sponsored by the Student Council, was held from October 8th through the 10th. The Powder Puff football game between the band front and the cheerleaders was the beginning of the Homecoming events. Saturday morning the banners of the classes and clubs were cavalcaded through town. Following the parade, a football game with Catoctin ended with a score of 54 to 14, the Devils victorious, of course. At halftime, Terry Shanholtz was crowned Homecoming Queen of '70-'71. In the wake of the game, a reception for the classes of '70 and '71 was held in the cafeteria. The Homecoming Dance was held that evening. The entire occasion was rendered a complete success.

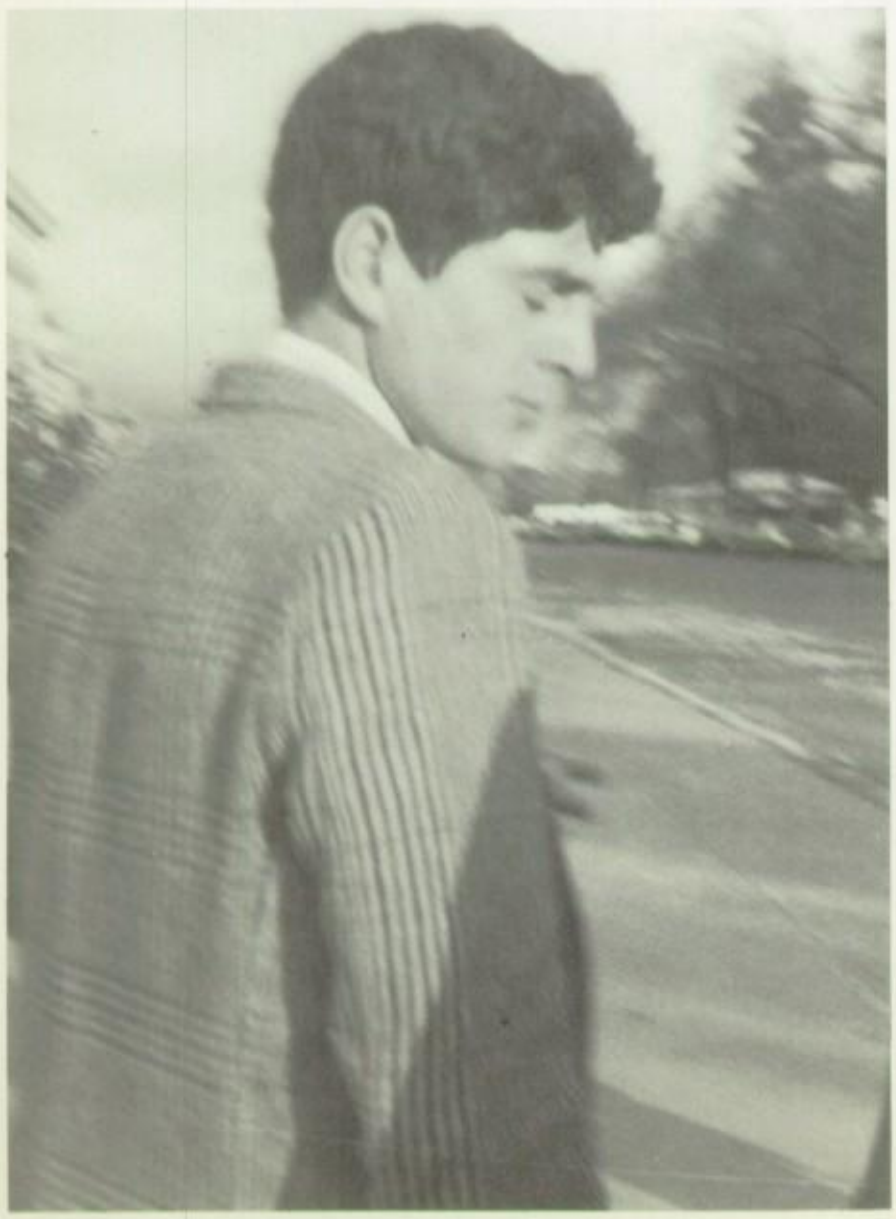
Seniors Take Junior Class Trip!?

Why me?



Oooooooo!

At 6 a.m. on November 3 many drowsy seniors stomped through the rain to board Continental buses for Washington, D. C. Having arrived at the Arlington Cemetery at 9:15, we almost missed the Changing of the Guard. There were 180 seniors, five girls to each umbrella and boys in rain caps, who finally found the correct way to Kennedy's grave site!

Thoroughly drenched, we returned to the buses and proceeded to the Bureau of Ingravings. Many eyes were on the stacks and stacks of money piled in the rooms. Then we viewed in the Aeronautical and Space Building many types of space vehicles and moon rocks. At last we arrived at the F.B.I. Building, where we saw all its departments. We even observed a demonstration of rifle and pistol shooting.

After lunching on mashed sandwiches and warm drinks, we toured the Smithsonian Institute. On the last lap — walking down the Washington Monument — we became weary and were ready for dinner at the Montgomery Mall.

Our wonderful trip to our national capital came to an end at 8:15 when we landed in Greencastle.

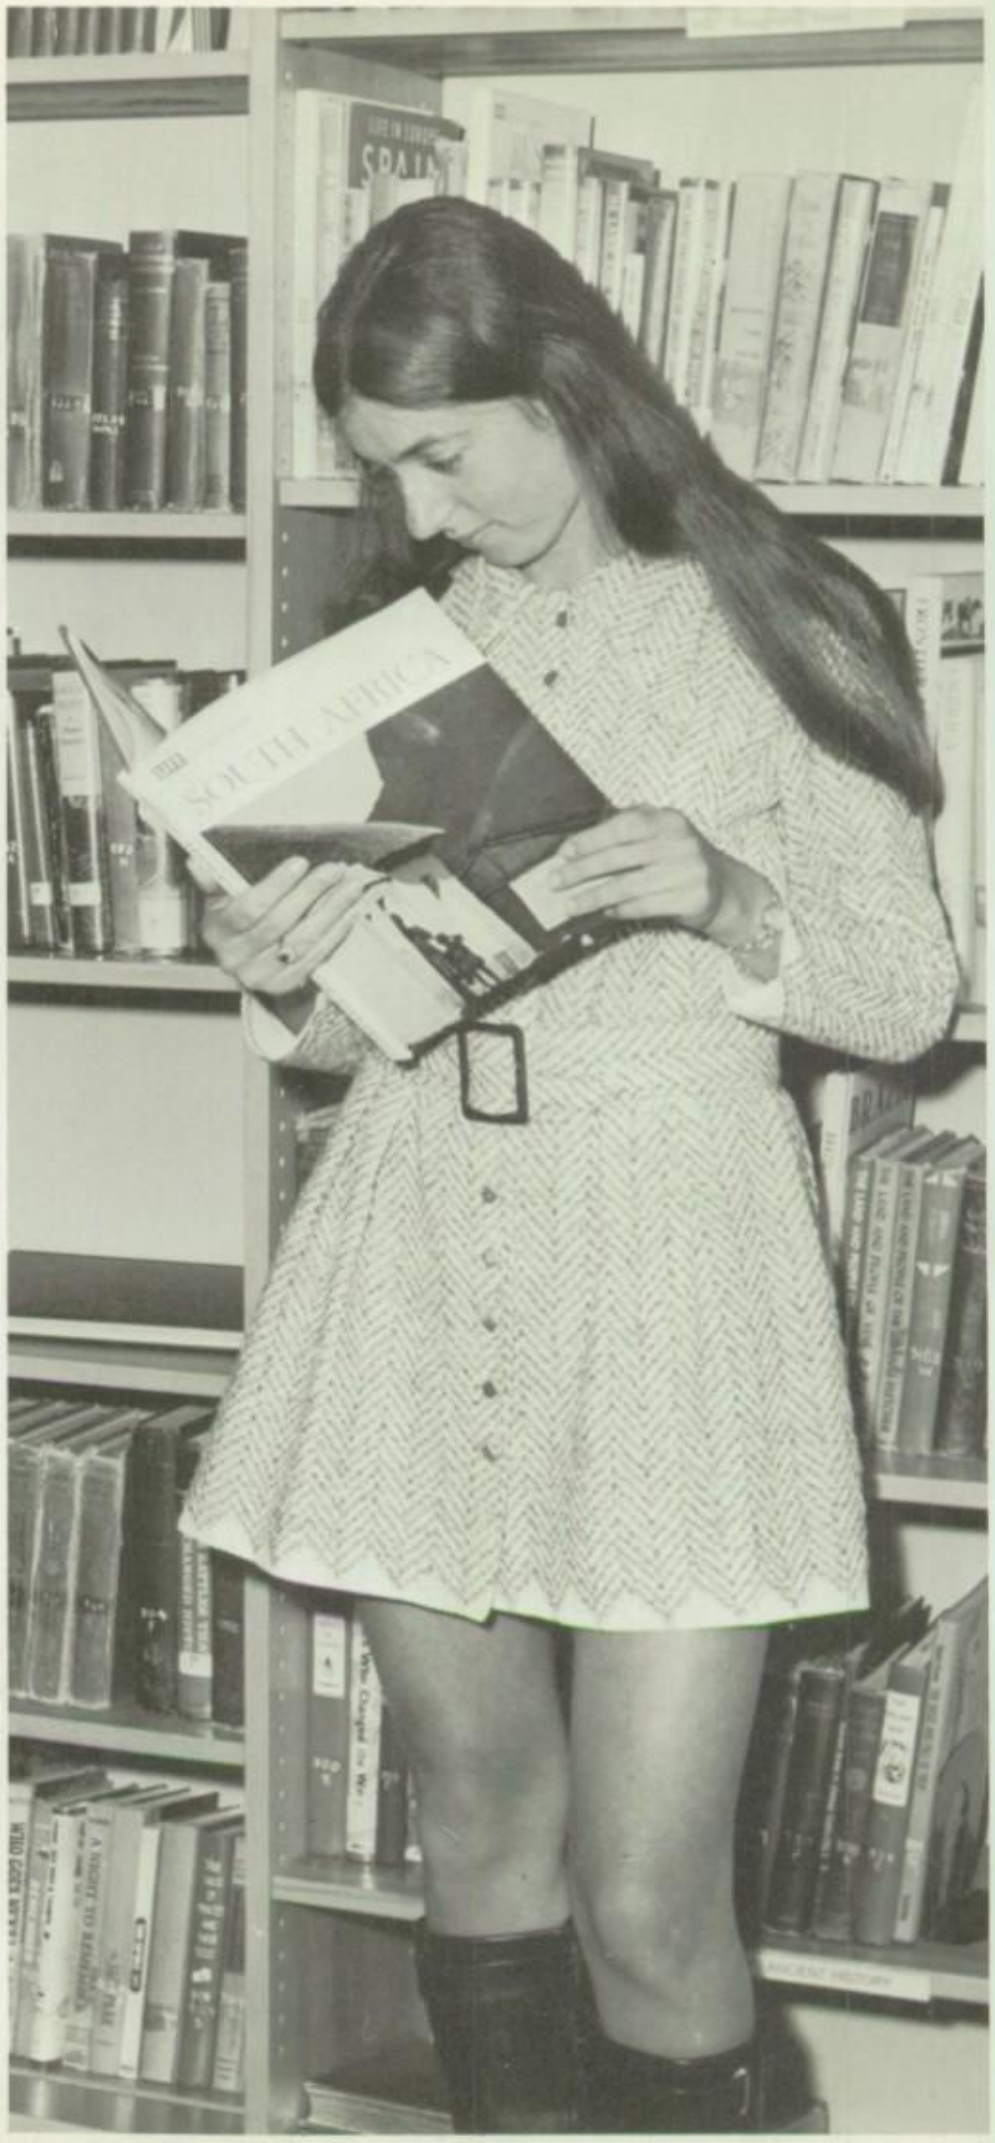
G.A.H.S. Welcomes Adele

Adele arrives at school with one of her American sisters, Dotti Zimmerman.



Adele is catching up on information concerning her country, South Africa.

Sponsored by KLINE'S STORE

The class of '71 is happy to introduce Adele Spektor, our foreign exchange student from Capetown, South Africa. Her first American family is with Mr. and Mrs. Zimmerman and their daughter, Dotti. Her second American residence will be with Dr. and Mrs. Potts and their daughters, Heather and Holly.

Adele arrived at the Baltimore airport on January 15, 1971, planning to spend a year with us. She plays basketball with the Girls' Varsity basketball team. Another of her favorite sports is tennis.

When Adele arrived she experienced something new — snow. This year marked her first snowball battle!

Next year she plans to attend the University of Capetown, Capetown, South Africa.

Cupid Strikes Again

Ruby and Ronnie

In an atmosphere of love, Randy Ehrhart and Pat McIntire were crowned King and Queen of Hearts for 1971. The other members of the sweetheart court included Dave Christophel and Carol Main — juniors; Jim Burkett and Debbie Anderson — sophomores, and Ronnie Oliver and Ruby Rice — freshmen. As cupids and red hearts floated in the background of the dance floor, Pure Delight, a rock group from Hagerstown, provided the soul for the evening. All the money made from the dance was given to the United Heart Fund . . . a perfect ending to complete the day.

CLASS ADVISORS:

Mrs. Joanne Thomas
Mr. Earl Bodes

Finally, we are seniors. We have waited a long time to step into the shoes of leadership. These enjoyable years have left us with many memories of our happiest years.

Moving into the role of sophomores, we, for the first time, elected class officers, chose our class colors of royal blue and white, and made a fine profit from our class project of selling Easter candy.

We took on many new responsibilities during our junior year. "While we live, let us live" was chosen as our class motto. After many assiduous weeks of selling items from our Tom Watt kits we were proud to have raised the most money on a class project. Anxiously on October 13, 1969, we charged to the activities room to pick up our golden class rings of distinction. Class jackets and blazers were distributed in October also. Working diligently from November until May 9, we produced a very unique Junior-Senior Prom of "Sayonara," a vision of an enchanting evening in the orient.

Now fitting comfortably into our shoes of leadership, we are striving to better G.A.H.S. in every way possible. Expanding the activities of Homecoming, we made it more memorable by having a parade. On Election day, 1970, we departed in the rain for our long awaited trip to Washington. We'll never forget the rambling walk in the rain at Arlington National Cemetery. Receiving our senior class pictures, we eagerly exchanged them with our fellow classmates. In the spring we sold hoagies which increased our treasury by over a thousand dollars. May will bring our New York trip (which will be the wildest ever) and Baccalaureate and graduation, all coming to an end too soon. Many tears will be shed as we proudly march down the aisles of our auditorium for the last time.

As a last regard to our Alma Mater, we would like to thank our principal, Mr. Martz, and all our teachers who filled our minds and hearts with the wisdom we will use in making our lives ahead successful. We thank our classmates for the wonderful memories we shared with them, for they made our years at G.A.H.S. our happiest.

Class Of 1972

As Juniors, we have had a very exciting year at G.A.H.S., a year full of new responsibilities. We were kept busy with our two class projects, a hoagie sale and Tom-Watt kit sales, both of which proved to be very successful.

With the arrival of our class rings and our maroon and gold class jackets, we felt that we were truly upperclassmen at G.A.H.S.

Our class advisers are Mr. Donald Weller, Mr. Steven Divelbiss, and Miss Penny Eckstine. The officers of our class are as follows:

President - Keith Johnson
Vice President — Jeff Berger
Secretary — Roberta Lesher
Historian — Judy Eichelberger
Treasurers — Linda Burke
